S&P Global Ratings assigns investment grade rating (BBB/Stable) to SIXT

- **Initial credit rating for Sixt SE: Long-term BBB issuer rating with stable outlook**
- **S&P Global Ratings highlights profitable revenue growth based on a solid balance sheet**

Pullach, 15 January 2024 – The global mobility provider SIXT has received a solid investment grade rating by the international rating agency S&P Global Ratings. The long-term issuer rating of BBB with a stable outlook marks the first credit rating by one of the major credit rating agencies in the company's more than hundred-year history. S&P explicitly honours the profitable revenue growth, the premium positioning and strategy of fleet acquisition based on a solid balance sheet and moderate debt levels.

Prof. Kai Andrejewski, CFO: "With the assigned investment grade rating SIXT is among the best rated international car rental companies worldwide. This is a clear confirmation of our track record in delivering strong financial results and proven resilience in difficult times such as the Corona-Crisis. The financing security that comes with the rating will strongly support our growth plans."

Dr. Franz Weinberger, Head of Corporate Finance: "The rating underlines the investment quality of our company. SIXT has always been an attractive issuer but is now even better positioned to access the capital markets and to further optimize its capital structure and financing costs."
